

PVCU Bi-Fold

*imagine*

'Imagine' single or double doors are the ideal complement to any flush fitting window due to their flush fitting sashes.

To achieve the flush external match, the doors must open out. The double doors have no floating mullion and so offer slimmer sightlines.

3170	5148			
3770	6000			
4370	6000			

Key:

- These doors do not have a single prime door. Two leaves need to be operated together - No external handle available
- Sashes are manufactured 60mm wider than adjoining sashes to allow them to operate correctly
- L** Indicates cranked lever/lever handle with euro cylinder
- T** Indicates internal intermediate handle
- M** Indicates magnet
